Meet our new family!

Every year is bitter sweet. We have to say, “see you later” to some while we get the excitement of welcoming others into the fold. This school year we have welcomed 14 new students and three new teachers to our Galilean family.

Our mission has always been to provide quality, Christian education to anyone that wants it regardless of geographical or economic limitations. We have one family that added students and teachers to our Galilean family this school year all the way from Richmond, KY. We also have two new students that call the Caribbean Islands home.

The Galilean Christian Academy is unique in many ways, but one of the best is being on the campus of Galilean Home Ministries. There isn’t another school campus in the world where you get to see real-world compassion and tolerance on a daily basis.

In the photo above, one of our new teachers is missing from the group as Bro. Lamb is in Africa on a mission trip. More on that next month.

Senior Mission Trip Fundraiser

Saturday October 27, 2018 our seniors are hosting a meal to raise money toward their Spring Break Mission Trip to Jamaica. This will be an evening of food and fellowship at the Galilean Gym cafeteria from 5 - 8pm.

The meal will feature chicken or ham, mashed potatoes, green beans, corn, salad, rolls, dessert along with your drink (water, sweet tea or lemonade). It is only \$8 for one person, \$15 for a couple and a family of four can get their meal for just \$25. Our seniors will be doing the serving.

Get your ticket(s) today by contacting the school and asking for Ms. JoDonna. We thank you in advance for your support!

We are a small school, with a BIG impact!
